

COVID-19 Statement

We wish to ensure our staff remain safe in these unprecedented times so we have taken all precautions to make certain we do this while maintaining our excellent service to you, our customers, partners and suppliers.

With stringent appropriate measures in place we would like to reassure you that;

- We have good stock levels of all systems and equipment and we are still shipping around the world;
- Our factory is still operating with near normal capacity with meticulous protection for all personnel;
- Our administration, sales and support teams are working remotely. They can be contacted in the normal way by email or phone and look forward to hearing from you. Contact details can be found on the relevant AAE Technologies Group company websites; appliedacoustics.com/contact | modulustechnology.com/contact | ensignsubsea.com/contact
- Product support and technical advice contact information can be found [here](#).

As an agile, privately owned company we are proud that we have a long history of dedication both to our staff and customers. Our resolve to stay true to our principles remains steadfast.
